TAMPA POWER SQUADRON
COMMANDER'S CORNER

Cdr Ryan Brown, S

I want to thank everyone who helped out this past year, new members and old alike.. job well done. The one thing that seems to stick out every year is that there are a few dedicated people who do most of the work; occasionally we are blessed to gain a new person of dedication, "you know who you are and so do we! Thank you again for all your hard work"
Should any of you have any ideas on how to better get our name out there and what it is we do, please feel free to contact me or anyone on the board.

EXECUTIVE OFFICER'S REPORT
Lt/C Tom Thompson, S

It is hard to believe this is my final report for the year as Executive Officer. We have had a wonderful year with many activities and events. I'd like to thank everyone who has made this year so successful with all the jobs done, both big and small. This mighty group has once again come together to make this year so successful.

We are now looking forward this month to our planned Change of Watch, 26 February 2011 with social starting at 1300 at Fraternal Order of Police building. We are honored our District Commander Mary Page Abbott, N will attend with her husband Steven as our guests. Remember the deadline for registration is Noon, 7 February 2011.

There will be strong attendance from Tampa Power Squadron at the National Conference held in Orlando. There will be detailed reports in the next Bulletin.

Respectfully,
Lt/C Tom Thompson, S Executive Officer

EDUCATIONAL OFFICER'S REPORT

P/C Charlie Laye, AP

SEO Report for Feb 2011

The Change Of Watch is still a few days away but the Education program is "ramping up". The Weather Class started on Jan 19th and our Public Boating Class schedule is ready. I'm pleased to say West Marine in Brandon and Gator Ford have both been very kind in offering their facilities on any day we choose. Gator Ford is even going to feed us!

Although we have a great educational staff there is always room for more. There is no better way to learn to public speaking and to teach than the Instructor Development as taught by Bob. Maybe we can even get Alta involved again now that she is a "woman of leisure" ☺

If you have not yet confirmed your COW plans please do so. This is one of those things you don't want to have say, "I wish I had been there."

One final thought: I am now working on a schedule for Seminars. If there is one you would like, please let me know right away, cl

ADMINISTRATIVE OFFICER'S REPORT

Lt/C Anna Morris, AP

Greetings from the Disney Coronado Springs Resort where National's 2011 Annual Meeting is being held. It seems as though it were only yesterday that I first attended the DAO/SAO training presented by the Leadership Development Committee. Now, Angie Stanley is preparing to assume the duties of Administrator Officer and I'm taking the DXO/SXO seminar. That's right – the 2011 Change of Watch is drawing closer and I've only just figured out how the Administrative Department works!

Although the 2010 Watch Year got off to a rocky start due to some health issues, I am pleased to report that the Administrative Department was very busy. To quickly recap:

- 5 new members were added to our squadron roster from the 16 new cyber members that we welcomed to USPS
- The Kite Fly-In, Cardboard Boat Challenge/Picnic, Pizza Party, Lighted Boat Parade/Pot Luck and Christmas Party events were well received
- A Pool Party/Cook-Out was hosted in lieu of a dinner meeting (*here's to hoping that this becomes an annual event!*)
- Venues for 6 Membership Meetings, 6 Membership Dinners and 12 Executive Committee Meetings were obtained

This article is cont. on page 6

Did I do all of this by myself? Certainly not! There were many hands to share the works and to take on some major projects. That's why the Administrative Department of 2010 was delighted to write 16 merit mark recommendations for their contributions and efforts!

Thank you – one and all for the most amazing year! You've all been there to offer support, guidance, advice and friendship. I know that you will be there for Angie as she steps into the position of Administrative Officer.

Looking forward to seeing you at the Change of Watch,

Lt/C Anna Morris, AP Administrative Officer

SECRETARY'S REPORT

P/D/C Alta M. Mullins, SN

Now that I am officially a retiree from the "other" USPS (U. S. Postal Service), I must say, it is a different way of life. And I certainly have not accomplished a smidgen of what I thought I would each day. As I have been reading a lot, writing letters a lot, playing Solitaire on the computer a lot. Haven't got to my cross stitching and jig saw puzzles yet.

At the December Christmas Party, Tampa Squadron gave me a beautiful silver metal jewelry box, fashioned in the form of a letter. The stamp is the "Love" stamp. The postmark city is "Special Delivery" and the round date of the postmark has "XOXOXOXOXOXOX" all around it. And engraved in the address area is:

Alta,
Congratulations on your retirement
from your crewmates at the other USPS,
Tampa Power Squadron

I want to thank all the members of Tampa Squadron for such an awesome retirement gift. What a very kind gesture, and I truly appreciate it. Thank you all again.

On to another subject. I hope you plan to attend the USPS Annual Meeting in Orlando, 3 – 5 February 2011 at Disney's Coronado Springs Resort. If you have never been to a
